

OnTRA AGM - November 19, 2011

Website Report

The website is averaging almost 2,000 visits per month.

We introduced the option of paying for books, donations and memberships through Paypal which we have had a few people take advantage of.

If any of our member centres have news, events or classifieds that they would like advertised on the site, it is free of charge. Please email information to info@ontra.ca.
